## ABOUT US

Cherry Tree Equine was founded in 2010, with the aim to help people enjoy their horses more by forming a strong bond with them.

Cherry Tree Equine is a family business located south of Canberra east of Bredbo. Everyone involved in CTE has spent their life working with and training horses in every discipline from dressage to campdrafting and barrel racing. All working on the land, horses and livestock have always been important and great educators. We love to spend time doing what we do, and we would love you to join us.

*Clinics, private lessons, education and picturesque trails...*
