

### **VIDEO FEEDBACK**

Thanks so much for booking into a Cherry Tree Equine clinic or lesson! Michelle is looking forward to working with you to develop stronger horsemanship skills.

To assist you after the clinic or lesson, we are now offering the option of receiving a DVD after the event. If you attended a lesson, the DVD will just be of the lesson. If you attended a clinic, it will be of most of the clinic.

To help give you a direction to work towards after your clinic or lesson, Michelle will also send three exercises that she feels will assist you the most. These exercises will be able to be viewed on the Cherry Tree Equine YouTube Channel.

The cost for this service is \$88. Pre-payment is required.

If you are interested in this, please let your organizer know before the event, to ensure that the clinic or lesson is being videoed.
